

## Advertising on the MHAA website

When advertising your horse/s for sale or lease in the Morgan Messenger (messenger@morganhorse.com.au), you are entitled to FREE advertising on the MHAA website - For Sale and Lease page. This advertisement will remain in place 'until sold'

When multiple horses from the one owner are advertised in the MM, these are listed on the website separately, but under a Banner for that particular owner/breeder/stud.

The MHAA also offers the opportunity to advertise on the website without first advertising in the Morgan Messenger.

The cost of advertising your horse for Sale or Lease on the website is \$10.00 for Members and \$15.00 for non-members, for each horse, and will remain on the website for a period of 3 months.

The Webmasters require the details and photos supplied to them to load the advertisements on to the For Sale and Lease page.

The details that are required for each horse advertised on the website are:
