

Challenge Course Obstacles

Below are the obstacles that will be in the Challenge Course. Order of obstacles will be given on the day. Trot and canter will be required in the course for ridden horses, trot only for in-hand horses. Correct paces between obstacles will be judged. Horse and rider/handler will also be judged on their partnership, willingness and calmness. Obstacles for the in-hand challenge will not be required to do 'Pole Work'. Riders/handlers may have a caller on the day and the course will be shown to all at the start of the ridden and in-hand classes.

Tarp Tunnel

Trot thru cones on tarp. Cones will have tennis balls balanced on top. Accuracy required to ensure no tennis balls are dislodged

Bag Drag

Pick up bag by rope and drag required distance without dropping

Bridge

Halt before bridge. Walk onto bridge and stand for 5 seconds all 4 hooves on bridge. Walk off bridge.

Mounting Block

Halt at mounting block, dismount
Have horse do one circle to left around block
Change direction and do one circle to the right, remount from off-side.

Barrels

Walk between drums and halt. Reinback around left drum and then reinback around right drum. To finish back between drums. Walk out of drums.

Jump

Canter over jump

Sidepass Pole

Walk up to pole and halt with end of pole on right hand side of horse.
Sidepass pole left to right

Pole Work

Halt at obstacle.
Pick up end of pole with either left or right hand, remaining on outside of bollard
Walk 8-10 paces in an arc holding pole, halt, back 8-10 paces and replace pole on bollard

Manoeuvrability

Halt at A, 180deg turn on forehand to position horse for backup to B
At B sidepass left to C
At C backup to position horse for sidepass, and sidepass right to D
At D back out of obstacle to E
At E 180deg turn on haunches
Horse **SHOULD NOT** straddle or step over logs
